

Innovation Fund Denmark

Multi-Annual Investment Plan (MAP)

Setting the framework for IFD's engagement in International programmes 2024-2026

Where will IFD engage?

- IFD's will continue to participate in the four overarching international programmes:
 - Horizon Europe (incl. Eurostars)
 - Bilateral collaborations
 - EUREKA
 - Nordic programmes
- IFD will phase out its participation in ERA-nets under Horizon 2020.

How much will IFD engage?

With a baseline budget of minimum 200 mio. DKK the allocation of IFD's budget to international programmes will be approximately:

- 70-80 % Horizon Europe
- 10-15 % EUREKA
- 5-10 % bilateral collaborations
- 5 % Nordic programmes

2024**2025****2026**

■ EU ■ EUREKA ■ Bilateral ■ Nordic

Specific EU Horizon programmes 2024-2026

Active Horizon 2020 Programmes

- M-ERA.Net 3

Horizon Europe – 1st partnerships

- Clean Energy Transition (CETP)
- Driving Urban Transition (DUT)
- Sustainable Blue Economy (SBEP)
- Water4All
- Biodiversa+
- Transforming Health and Care Systems (THCS)
- ERA4Health
- Chips JU
- Innovative SMEs/Eurostars & Innowwide

Horizon Europe – 2nd partnerships

- Pandemic Preparedness
- Rare Diseases
- Personalised Medicine
- One Health - Antimicrobial Resistance (AMR)
- Accelerating Farming Systems Transitions
- Animal Health and Welfare
- Agriculture of Data
- Sustainable Food Systems for People, Planet and Climate

Bilateral, Nordic and EUREKA programmes 2023-2026

Bilateral collaboration

- Calls every 2. or 3. year
 - India
 - USA
 - China

Nordic programmes

- Nordic Energy Research Ad hoc annual calls*
- NordForsk Ad hoc annual calls*

EUREKA

- EUREKA Clusters
 - ITEA 4
 - EUROGIA
 - Xecs*
 - CELTIC-NEXT*
 - SMART*
- Ad hoc annual EUREKA calls*, e.g. Globalstars*. Network* or intercluster*

*Depends on annual budget and possibilities

Thematic overview
